Blog, Statement of Support, Logos

- Developing Network Communication Tools (Blog, Member Directory, Calendar) – Wordpress CMS
- Need Statement of Support to populate member directory, but will transition to web form
- Logos will be used on Portal to provide acknowledgments
- If you have not submitted please do so by COB Friday or let me know why not.

Grants Review

- Extension Request
 - 1 year, expand scope of work, extend hosting and coordinator contract, no extra cost
- Task 6 SOW - Network Technical Assistance - 85K
 - One contractor, work one on one with partners
 - Assistance with metadata, data, catalog, or service enhancements
 - Connections to state, federal, and regional portals
 - Refine best practices documentation
- Task 6b - Portal Improvements - 20K

Network Survey

- Network Survey
 - Used to solicit tasks and partners for the contractor to work with.
 - Developing selection criteria
 - 5-10 partners
 - Align with state, regional, and tribal data priorities
 - <http://goo.gl/i1GtuN>

Marine Debris Use

Case

- Data Needs Spreadsheet
 - Assigned “responsible parties” - thanks to those that have contributed
 - Identifying where we have biggest gaps with respect to high priority and no services/registered metadata
- Ontology Mapping
 - Refined hierarchy, improve search terms
 - Need help with synonyms
- Mapper/viewer should be ready in about two weeks for testing – Marplot demo Thursday

Oceanographic Fellowship

- Laura's Presentation
